## THE REPEAL FIGHT.

IT WILL COME TO AN END TODAY IN THE SENATE.

THE VOORHEES BILL WILL PASS.

It will have at least Ten Majority—Senators Counting Upon an Adjournment by Thursday—Will Be Rushed Through the House—Other Legislative Matter on the Table in Both Houses.

WASHINGTON, Oct. 30.—If Senator Voorhees' calculations do not miscarry the repeal bill will be disposed of by the senate between 2 o'clock and the hour of adjournment to-day. There will be a few more speeches on the subject during the day and a few more amendments offered, and in all probability voted down, after which the vote on the main question will be taken, the bill will be passed by a majority of ten or possibly eleven votes, and the long contest will be ended and the purchasing clause of the Sherman act extinguished.

Senators are counting upon an adjournment or recess by Thursday, which it shall be will depend upon the wishes of the committee on ways and means. Prominent members of the house assure senators that the house will dispose of the repeal bill one day after receiving it.

The house will lay aside the bankruptcy bill this week, as soon as the repeal bill comes back from the senate. The friends of the former measure have given up all hope of procuring a vote on it at this session. When the repeal bill comes to the house, if the unexpected does not happen, Mr. Wilson will be recognized to move concurrence in the senate amendment.

The silver men show no disposition to filibuster, but if they should try such tactics, a rule will be brought in by the committee on rules that will force a vote. A few hours may be allowed before the previous question calling off all debate is demanded. Together Mr. Bland and the extreme silver men and ultra-repeal men would like the declaratory clause of the Voorhees substitute stricken out but they will be outvoted. The repeal men have been telegraphed to be here and they expect 200 members present when the bill comes to the house.

Investigation the Strip Opening.

WASHINGTON, Oct. 30.—The house committee on public lands has referred the matter of investigation of the Cherokee strip opening to a subcommittee to examine the evidence and prepare a report. It is understood that there will be two reports, the majority against an investigation and the minority favoring it.

A NEBRASKA BANK WORKED.

Cashed a Check for \$1,000,000. Which had no existence.

LINCOLN, Neb., Oct. 30.—A dispatch from Geneva, Neb., says: One day last week the Citizens bank received a letter from a firm signed C. L. Eschfeld & Co., written on a letter head bearing their name and addresses at Chicago and St. Joseph, purporting to have offices in both cities and their business to be that of importers of foreign and domestic wines, liquors, etc.

The letter stated that their traveling representative, Simon B. Newman, would be in the city of Geneva very shortly and they had sent him there a check for \$50,000. As this would be his first trip through this part of the country they induced the bank to sign a check for the amount, but no trouble in getting the money.

He stepped into the bank a few days later and the bank paid his check which was drawn on the Geneva branch of St. Joseph, and was duly protested by the St. Joseph bank, they knowing of no such firm doing business.

GENERAL MARGALLO KILLED.

Shot While Leading a Forfe Against the Rebels.

MADRID, Oct. 30.—General Margallo, commander-in-chief of the Spanish troops at Melilla, was shot dead yesterday while leading a sortie against the rebels. Several of his men were killed and 122 others were wounded.

Turned the Lights Out on Slattery.

ST. LOUIS, Mo., Oct. 30.—Ex-Past Slattery's course of lectures closed last night in a cloud of gloom. An immense audience was present at Turner hall to hear him. Just as the speaker reached what appeared to be a climax of his assault on the church of Rome the lights were turned out. This is said to have been done by some of his enemies, but unfavorable persons are heard to say that it was by the ex-priest's order. The crowd dispersed quietly and the fifty policemen were not wanted.

Charged With Custom Frauds.

NEW YORK, Oct. 30.—W. H. Riley, senior member of the large dry goods importing house of W. H. Riley & Co., of New York and Paris, was arrested yesterday morning on the steamer Umbra. He is charged with entering imported goods at the customs house by means of false and fraudulent invoices at a valuation far below the worth of the goods.

Crushed by an Engine.

HITCHCOCK, Kan., Oct. 30.—A man giving his name as Allen Moore who was about the city yesterday, mixing with new-found friends and imbibing with new-found friends, was struck by a Santa Fe passenger engine this evening at the western limits of the city, near the Star with pump, and instantly killed.
